

## Gravitech- Disposable Nitrile Gloves GI-2000

Gloves are patterned finish provides a better grip.

Resistance Nitrile offers better mechanical resistance than latex.

It also provides superior performance when in contact with greasy products.

Treated to prevent the development of bacteria.

Its non-powdered interior ensures the absence of a transfer of cornstarch to foodstuffs, for a lower risk of allergy.

Certified for contact with food. Its blue color easy to detect makes it suitable for the agri-food industry.

Nitrile is an alternative for users who are allergic to natural latex.
